IMPORTANT NOTES FOR COMPLETING THE SURVEY

- 1 Deadline for submission is **1 March 2023**.
- 2 Submit the survey electronically by uploading the completed form through MAS website.
- 3 Completing the survey form:
 - a) Fill in either text / number where appropriate.
 - b) Leave cells blank if you have no activity in that area.
 - c) Figures should be reported in **millions of Singapore Dollars (S\$ million)** and should be rounded to **2 decimal places**. For the purpose of translating foreign currencies into Singapore dollars, please use the stipulated daily exchange rates for the last trading day of 2022 available on MAS website: <https://secure.mas.gov.sg/msb/ExchangeRates.aspx>
- 4 Combined total AUM under Section A.1, Section A.2 and Section A.3(ii) must tally with the totals under Section B (i.e. Sources of Fund).

Combined total AUM under Section A.1, A.2 and A.3(ii) must tally with the totals of Section C(i) and C(ii) (i.e. Investment of Funds).

Total AUM under Section A.1, A.2 and A.3(ii) must tally with each total under Section D.1, Section D.2 and Section D.3 respectively.
- 5 In Section C – "Investment of Funds", the amounts for "cash, deposits, money market instruments" and "Supranational Bonds" have to be included under C(ii), but **not in C(i)**.
- 6 Boxes shaded in grey will be automatically computed.
- 7 **AUM**
 - a) "Assets under management" means **net** asset value of assets managed of –
 - (i) assets contracted to, drawn down by or under discretionary management of the Fund Management Company or its related corporations, where the Fund Management Company is responsible for investment management of the monies and assets;
 - (ii) monies and assets contracted to or under advisory service of the Fund Management Company or its related corporations, where the Fund Management Company acts as investment advisor, sub-advisor or otherwise provides research to the party responsible for investment management of the monies and assets;
 - (iii) monies and assets contracted or drawn down by the Fund Management Company, but managed or advised by a third party, where the Fund Management Company has sub-contracted the investment management of the monies and assets to the third party."
 - b) AUM should be computed at market value as at 31 December 2022.
 - c) "Private equity" and "Venture Capital" investments should be included in the AUM of asset management activities. "Private equity" investments refer to investments in privately held (non-listed) shareholdings, while "Venture Capital" investments refer to investments in start-ups. Undrawn committed capital should not be included in AUM but reflected under A.4. Funds that are contractually committed but undrawn.
 - d) AUM from custodian activities should not be included. They do not fall under asset management activities. AUM of REIT managers should be calculated at market value taking product of the number of REIT units issued and the price of each REIT unit as at close of market on 31 December 2022, or if 31 December 2022 is not a trading day, the last trading day prior to 31 December 2022.

SECTION I. ASSET MANAGEMENT ACTIVITIES

A. MANAGEMENT OF ASSETS²

**Total AUM
(S\$ mil)
as at 31 Dec 2022**

A.1. Assets under discretionary management

[Refer to funds managed in-house by Singapore Office, where Singapore Office has substantial input in the investment management process, and where it has the authority to make investment decisions. If Singapore Office, say a fund management company, manages a portion of the fund (e.g. the Asian mandate of a global fund), include only the portion where the fund manager has discretionary management responsibility.]

A.2. Assets under advisory service

[Refer to funds where the Singapore Office acts in the capacity as an adviser, without the authority to make investment decisions. If Singapore Office, say a fund management company, advises a portion of the fund (e.g. the Asian mandate of a global fund), include only the portion where the fund manager has advisory responsibility.]

A.3. Assets contracted that are not managed or advised by Singapore Office but managed by another party

[Refer to funds where management is sub-contracted to another party. E.g. if the Singapore Office farms out the management of a sum of monies to a related or unrelated fund manager, the Singapore Office should report the amount under A.3. For the case of the fund manager that manages the sum, he should report the amount under A.1]

i) By related/unrelated parties located **in Singapore**

ii) By related/unrelated parties located **outside Singapore**, including overseas head office/parent company/other branches

A.4. Capital that are contractually committed but undrawn

(applicable to Private Equity / Venture Capital firms only)

[Refer to funds where Singapore office has authority to draw down committed capital from investors, but has not yet done so. This would exclude funds which are unilaterally cancellable by the investor.]

¹ AUM from custodian activities should not be included. They do not fall under asset management activities.

² Please fill in the form carefully and ensure no doublecounting. Funds should not be reported more than once.

D. REASONS FOR CHANGE IN ASSETS UNDER MANAGEMENT

Gross inflow (outflow) of AUM refers to AUM entering (exiting) the company.

Net inflow of AUM is equal to incoming AUM less outgoing AUM. As such, if "old money" leaves the company and re-enters within the same year, there will be no change in net inflow (outflow) of AUM as the net effect is nil.
