

MAS NOTICE 651

24 June 2022

NOTICE TO BANKS
BANKING ACT 1970

LIQUIDITY COVERAGE RATIO (“LCR”) DISCLOSURE

Introduction

1 This Notice is issued pursuant to section 10B(1) of the Banking Act 1970 (the “Act”) and applies to –

- (a) all internationally active banks; and
- (b) all banks (as defined in section 2(1) of the Act) incorporated in Singapore that have been notified by the Authority that they are domestic systemically important banks¹ (“D-SIBs”),

(referred to in this Notice as “Reporting Banks”, or each, a “Reporting Bank”).

2 This Notice sets out requirements for a Reporting Bank to disclose quantitative and qualitative information about its Liquidity Coverage Ratio (“LCR”) –

- (a) in the case of a Reporting Bank that is an internationally active bank, or a D-SIB that is incorporated in Singapore and whose head office or parent bank is incorporated in Singapore, on a consolidated level, which consolidates the assets and liabilities of all its banking group entities, other than those of the following banking group entities, if any:
 - (i) an insurance subsidiary;
 - (ii) any other entity, where such non-consolidation of assets and liabilities of the entity is expressly permitted under the Accounting Standards. To avoid doubt, the exemption for an entity that is a parent from presenting consolidated financial statements in paragraph 4(a) of Singapore Financial Reporting Standards 110 (“SFRS 110”)

¹ More information on the D-SIB framework can be found at <https://www.mas.gov.sg/-/media/MAS/News-and-Publications/Monographs-and-Information-Papers/Monograph--MAS-Framework-for-Impact-and-Risk-Assessment.pdf>.

Consolidated Financial Statements does not apply to the Reporting Bank for the purposes of complying with this paragraph;

- (b) in the case of a Reporting Bank that does not fall under sub-paragraph (a), and the Reporting Bank has not obtained the approval of the Authority pursuant to paragraph 6 of MAS Notice 649 to comply with the requirements set out in that Notice on a country-level group basis, at the entity level; and
- (c) in the case of a Reporting Bank that does not fall under sub-paragraph (a), and the Reporting Bank has obtained the approval of the Authority pursuant to paragraph 6 of the MAS Notice 649 to comply with the requirements set out in that Notice on a country-level group basis, at country-level group level.

It also sets out additional requirements on quantitative and qualitative information that a Reporting Bank is required to disclose. Together, these disclosures are intended to facilitate users' understanding of the Reporting Bank's liquidity risk profile and management, and thereby promote market discipline.

3 A Reporting Bank need not comply with the requirements in this Notice if it is a subsidiary of –

- (a) another Reporting Bank that is subject to the requirements in this Notice; or
- (b) a financial holding company that is subject to the requirements in MAS Notice FHC-N651.

Definitions

4 In this Notice –

“bank” has the same meaning as in paragraph 2 of MAS Notice 649;

“banking group entity”, in relation to a Reporting Bank or to a bank in Singapore (as defined in section 2(1) of the Act), means its subsidiary or any other entity that is treated as part of its group of entities according to Accounting Standards;

“internationally active bank” means a bank in Singapore (as defined in section 2(1) of the Act) that –

- (a) is incorporated in Singapore; and
- (b) has been notified by the Authority that the Authority considers it to be internationally active, taking into consideration whether it has one or more

banking group entity established or incorporated in a foreign country or jurisdiction that is approved, licensed, registered or otherwise regulated by a bank regulatory agency in a foreign country or jurisdiction to carry on banking business under the laws of the foreign country or jurisdiction, and whether the banking group entity's operations are significant in that foreign country or jurisdiction;

"LCR Disclosure Template" refers to the template set out in Appendix 1;

"parent bank" has the same definition as in paragraph 1 of the Fifth Schedule of the Act;

"Reporting Bank" has the same meaning as in paragraph 1.

5 The expressions used in this Notice, except where defined in this Notice or where the context otherwise requires, have the same meanings as in the Act and paragraphs 2 and 22 of MAS Notice 649.

Public Disclosure of Quantitative and Qualitative Information

6 A Reporting Bank must publish on a quarterly basis –

- (a) quantitative information relating to its LCR in the format of the LCR Disclosure Template² in accordance with the instructions provided in Appendix 3; and
- (b) qualitative information³ relating to its LCR for the purposes of enabling users to better understand and analyse the quantitative information.

7 For reporting periods ending otherwise than at the close of an annual reporting period –

² Explanations for the respective items in the LCR Disclosure Template are set out in Appendix 2.

³ Examples of the qualitative information are –

- (a) the main drivers of the Reporting Bank's LCR results and the evolution of the contribution of inputs to the LCR's calculation over time;
- (b) intra-period changes as well as changes over time;
- (c) the composition of HQLA;
- (d) concentration of sources of funding;
- (e) derivative exposures and potential collateral calls;
- (f) currency mismatch in the LCR;
- (g) description of the degree of centralisation of liquidity management and interaction between the group's units; and
- (h) other inflows and outflows in the LCR calculation that are not captured in the LCR Disclosure Template but which the Reporting Bank considers to be relevant for its liquidity profile.

- (a) a Reporting Bank that issues quarterly financial statements must publish the quantitative and qualitative information referred to in paragraph 6 concurrently with the publication of its quarterly financial statements, and in any case, not later than 45 days after the end of the reporting period; and
- (b) a Reporting Bank that does not issue quarterly financial statements must publish the quantitative and qualitative information referred to in paragraph 6 not later than 45 days after the end of the reporting period.

8 For reporting periods ending at the close of an annual reporting period –

- (a) a Reporting Bank that issues quarterly financial statements must publish the quantitative and qualitative information referred to in paragraph 6 concurrently with the publication of its annual report or financial statements, and in any case, not later than 4 months after the end of the reporting period; and
- (b) a Reporting Bank that does not issue an annual report must publish the quantitative and qualitative information referred to in paragraph 6 not later than 4 months after the end of the reporting period.

9 Despite paragraph 6, a Reporting Bank that has not been notified by the Authority that it is a D-SIB and whose head office or parent bank is incorporated outside Singapore may publish the quantitative and qualitative information referred to in paragraph 6 on a semi-annual basis.

10 A Reporting Bank must publish the quantitative and qualitative information referred to in paragraph 6 in the standalone Pillar 3 report required under paragraph 11.2.7 of MAS Notice 637.

11 A Reporting Bank must make available on its website an archive of all quantitative and qualitative information referred to in paragraphs 6 and 14 that it has published for a period of not less than 5 years.

12 A Reporting Bank must present the quantitative information referred to in paragraph 6 –

- (a) with respect to all currency LCR, in the same currency as its published financial statements; and
- (b) with respect to Singapore Dollar LCR, in Singapore Dollars.

13 A Reporting Bank must –

- (a) present the quantitative information referred to in paragraph 6 as simple averages of daily observations over the previous quarter; and
- (b) publish the number of data points used in calculating the average figures.

14 Subject to paragraph 21, a Reporting Bank must disclose at least annually –

- (a) quantitative information relating to its internal liquidity risk measurement and management framework to enable users to better understand and analyse the data provided in the LCR Disclosure Template⁴; and
- (b) qualitative information to enable users to better understand its internal liquidity risk management and positions⁵.

15 A Reporting Bank that issues an annual report must publish the quantitative and qualitative information referred to in paragraph 14 concurrently with the publication of its annual report or financial statements, and in any case, not later than 4 months after the end of the reporting period. A Reporting Bank that does not issue an annual report must publish the information not later than 4 months after the end of the reporting period.

16 A Reporting Bank must publish the quantitative and qualitative information referred to in paragraph 14 in –

⁴ Quantitative information could include, but is not limited to –

- (a) key monitoring tools as defined under the Basel III liquidity risk framework;
- (b) customised measurement tools or metrics that assess the structure of the Reporting Bank's balance sheet;
- (c) metrics that project cash flows and future liquidity positions, taking into account off-balance sheet risks which are specific to the Reporting Bank;
- (d) concentration limits on collateral pools and sources of funding (both products and counterparties);
- (e) liquidity exposures and funding needs at the level of individual legal entities, foreign branches and subsidiaries, taking into account legal, regulatory and operational limitations on the transferability of liquidity; and
- (f) balance sheet and off-balance sheet items broken down into maturity buckets and the resultant liquidity gaps.

⁵ Qualitative information could include, but is not limited to –

- (a) governance of liquidity risk management, including: risk tolerance; structure and responsibilities for liquidity risk management; internal liquidity reporting; and communication of liquidity risk strategy, policies and practices across business lines and with the board of directors;
- (b) funding strategy, including policies on diversification in the sources and tenor of funding, and whether the funding strategy is centralised or decentralised;
- (c) liquidity risk mitigation techniques;
- (d) an explanation of how stress testing is used; and
- (e) an outline of contingency funding plans.

- (a) the standalone Pillar 3 report required under paragraph 11.2.7 of MAS Notice 637; or
- (b) a separate document from the standalone Pillar 3 report, provided that –
 - (i) the level of assurance on the reliability of information in the separate document is equivalent to, or greater than, the internal assurance level required for the standalone Pillar 3 report; and
 - (ii) it includes in the standalone Pillar 3 report the following information –
 - (A) the title of the disclosure requirement;
 - (B) the full name of the separate document in which the information has been published;
 - (C) the URL to such disclosure of the information on its website, where relevant; and
 - (D) the page and paragraph number of the separate document where the information can be located.

17 A Reporting Bank must present narrative commentaries to supplement the disclosure of quantitative information referred to in paragraphs 6 and 14 in a format at the Reporting Bank's discretion to explain any significant changes between reporting periods and any other issues of interest to users.

18 Despite paragraphs 6 and 14, a Reporting Bank may omit the disclosure of any information required in this Notice if the omitted information is –

- (a) proprietary or confidential in nature as defined in paragraph 11.2.13 of MAS Notice 637; or
- (b) assessed not to be meaningful to users.

19 Where a Reporting Bank omits a disclosure under paragraph 18(a), the Reporting Bank must identify the information that it has omitted to disclose in a narrative commentary and provide a reason for the omission. The Reporting Bank must also disclose general qualitative information about the subject matter of the disclosure requirement.

20 Where a Reporting Bank omits a disclosure under paragraph 18(b), the Reporting Bank must state clearly in a narrative commentary why the information that it has omitted to disclose is assessed not to be meaningful to users.

21 A Reporting Bank may omit the disclosure of any qualitative information referred to in paragraph 14 if the Reporting Bank –

- (a) is a subsidiary of a financial holding company, or a subsidiary of a bank that is incorporated outside Singapore, and the financial holding company or bank is subject to disclosure requirements similar to those set out in this Notice on a consolidated basis that is inclusive of the operations of the Reporting Bank; and
- (b) makes clear reference in the standalone Pillar 3 report to the location of the relevant disclosure made by the financial holding company or the bank referred to in sub-paragraph (a).

22 A Reporting Bank must ensure that the disclosure of quantitative and qualitative information referred in paragraphs 6 and 14 is subject, at a minimum, to the same level of internal review and internal control processes as the information provided by the Reporting Bank for its financial reporting, if applicable, and the level of assurance must be the same as for information provided within the management discussion and analysis part of its annual report.

23 A Reporting Bank must take into consideration the disclosures required under this Notice in formulating its disclosure policy in accordance with paragraphs 11.2.17 and 11.2.18 of MAS Notice 637.

24 To avoid doubt, a Reporting Bank may disclose⁶ information in addition to those required in paragraphs 6 and 14 to provide users with a broader picture of the Reporting Bank's risk position and promote market discipline.

25 A Reporting Bank must apply the principles in paragraph 11.1.2 of MAS Notice 637 in making its disclosures.

⁶ If a Reporting Bank discloses additional quantitative information, the Reporting Bank should also disclose sufficient meaningful information to enable users to understand and analyse the quantitative information disclosed, accompanied by a qualitative discussion.

Effective Date and Transitional Provisions

26 This Notice takes effect on 1 July 2022 (“effective date”). MAS Notice 651 dated 14 December 2015 and last revised on 7 August 2019 is cancelled with effect from the effective date (the “Repealed Notice”).

27 Despite the Repealed Notice –

- (a) in respect of the quantitative and qualitative information referred to in paragraph 5 of the Repealed Notice for the reporting period ending before the effective date, which the Reporting Bank has not published in accordance with paragraph 5 of the Repealed Notice by the effective date, paragraphs 6 to 10, 12, 13, 17 to 20, 22 to 25 of this Notice does not apply, and the Reporting Bank must comply with paragraphs 5, 5A, 5B, 5C, 6, 8, 9, 10C, 10D, 10E, 10F, 10H, 10I, 10J and 10K of the Repealed Notice; and
- (b) in respect of the quantitative and qualitative information referred to in paragraph 10 of the Repealed Notice for the reporting period ending before the effective date which the Reporting Bank has not disclosed in accordance with paragraph 10 of the Repealed Notice by the effective date, paragraphs 14 to 25 of this Notice does not apply, and the Reporting Bank must comply with paragraphs 10 to 10K of the Repealed Notice.

28 Despite the Repealed Notice, where the Reporting Bank is or was required to comply with paragraphs 5 and 10 of the Repealed Notice, the Reporting Bank must also continue to comply with paragraph 7 of the Repealed Notice.

LCR Disclosure Template

		TOTAL UNWEIGHTED ⁷ VALUE (average)	TOTAL WEIGHTED ⁸ VALUE (average)
HIGH-QUALITY LIQUID ASSETS			
1	Total high-quality liquid assets (HQLA)

23	LIQUIDITY COVERAGE RATIO (%)		

⁹ Adjusted values must be calculated after the application of both (i) haircuts and inflow and outflow rates and (ii) any applicable caps (i.e. cap on Level 2B and Level 2 assets for HQLA and cap on inflows).

Explanation of the LCR Disclosure Template

Row number	Explanation	Relevant paragraph(s) of MAS Notice 649
1	Sum of all eligible high-quality liquid assets (HQLA), as defined in MAS Notice 649, before the application of any limits, excluding assets that do not meet the operational requirements, and including, where applicable, assets qualifying under alternative liquidity approaches	28-37
2	Retail deposits and deposits from small business customers are the sum of stable deposits, less stable deposits and any other funding sourced from (i) natural persons and/or (ii) small business customers (as defined in MAS Notice 649)	44-57, 61, 78, 81
3	Stable deposits include deposits placed by a natural person and unsecured wholesale funding provided by small business customers, as defined in MAS Notice 649	44-51, 54-57, 61, 78, 81
4	Less stable deposits include deposits placed by a natural person and unsecured wholesale funding provided by small business customers, as defined in MAS Notice 649	44-45, 52-57, 61, 78, 81
5	Unsecured wholesale funding is defined as those liabilities and general obligations from customers other than natural persons and small business customers that are not collateralised	58-77, 81
6	Operational deposits include deposits from customers with a substantive dependency on the Reporting Bank where deposits are required for certain activities (i.e. clearing, custody or cash management activities). Deposits in institutional networks of cooperative banks include deposits of member institutions with the central institution or specialised central service providers	62-74, 81

7	Non-operational deposits are all other unsecured wholesale deposits, both insured and uninsured	73-77, 81
8	Unsecured debt includes all notes, bonds and other debt securities issued by the Reporting Bank, regardless of the holder, unless the bond is sold exclusively in the retail market and held in retail accounts	78
9	Secured wholesale funding is defined as all collateralised liabilities and general obligations	83-87
10	Additional requirements include other off-balance sheet liabilities or obligations	88-108
11	Outflows related to derivative exposures and other collateral requirements include expected contractual derivatives cash flows on a net basis. These outflows also include increased liquidity needs related to: downgrade triggers embedded in financing transactions, derivative and other contracts; the potential for valuation changes on posted collateral securing derivatives and other transactions; excess non-segregated collateral held at the Reporting Bank that could contractually be called at any time; contractually required collateral on transactions for which the counterparty has not yet demanded that the collateral be posted; contracts that allow collateral substitution to non-HQLA assets; and market valuation changes on derivatives or other transactions	88-99
12	Outflows related to loss of funding on secured debt products include loss of funding on: asset-backed securities, covered bonds and other structured financing instruments; and asset-backed commercial paper, conduits, securities investment vehicles and other such financing facilities	100-101
13	Credit and liquidity facilities include drawdowns on committed (contractually irrevocable) or conditionally revocable credit and liquidity facilities. The currently undrawn	102-108

	portion of these facilities is calculated net of any eligible HQLA if the HQLA have already been posted as collateral to secure the facilities or that are contractually obliged to be posted when the counterparty draws down the facility	
14	Other contractual funding obligations include contractual obligations to extend funds within the 30-day LCR horizon and other contractual cash outflows in accordance with paragraph 118 of MAS Notice 649	109-110, 118
15	Other contingent funding obligations, as defined in MAS Notice 649	111-117
16	Total cash outflows: sum of lines 2–15	
17	Secured lending includes all maturing reverse repurchase and securities borrowing agreements	121-128
18	Inflows from fully performing exposures include both secured and unsecured loans or other payments that are fully performing and contractually due within the 30-day LCR horizon from retail and small business customers, other wholesale customers, operational deposits, deposits held at the centralised institution in a cooperative banking network and unsecured precious metals assets	132-133, 135-137, 139, 141
19	Other cash inflows include derivatives cash inflows and other contractual cash inflows	134, 142-147
20	Total cash inflows: sum of lines 17–19	
21	Total HQLA (after the application of any cap on Level 2B and Level 2 assets)	28-37
22	Total net cash outflows (after the application of any cap on cash inflows)	38-40
23	Liquidity Coverage Ratio (after the application of any cap on Level 2B and Level 2 assets and caps on cash inflows)	22

Instructions for Completing the LCR Disclosure Template

Rows in the template are set and compulsory for all Reporting Banks. The table in Appendix 2 provides an explanation of each line of the LCR Disclosure Template, with references to the relevant paragraph(s) of MAS Notice 649. Key points to note about the template:

- Each dark grey row introduces a section of the template (HQLA, cash outflows and cash inflows) and does not require any value to be reported.
- The light grey rows represent the broad categories of the subcomponents of the LCR in the relevant section.
- The unshaded rows represent subcomponents within the major categories of cash outflows. The relevant subcomponents to be included in the calculation of each row are specified in Appendix 2.
- No data should be entered in the cross-hatched cells.

Figures entered in the template must be averages of the observations of individual line items over the financial reporting period (i.e. the average of components and the average LCR over the most recent 3 months of daily positions, irrespective of the financial reporting schedule). The averages are calculated after the application of any haircuts, inflow and outflow rates and caps, where applicable. For example:

$$\text{Total **unweighted** stable deposits}_{Qi} = \frac{1}{T} \times \sum_{t=1}^T (\text{Total **unweighted** stable deposits})_t$$

$$\text{Total **weighted** stable deposits}_{Qi} = \frac{1}{T} \times \sum_{t=1}^T (\text{Total **weighted** stable deposits})_t$$

where T equals the number of observations in period Q_i .

Weighted figures of HQLA (line 1, third column) must be calculated after the application of the respective haircuts but before the application of any caps on Level 2B and Level 2 assets. Unweighted inflows and outflows (lines 2–8, 11–15 and 17–20, second column) must be calculated as outstanding balances. *Weighted* inflows and outflows (lines 2–20, third column) must be calculated after the application of the inflow and outflow rates.

Adjusted figures of HQLA (line 21, third column) must be calculated after the application of both (i) haircuts and (ii) any applicable caps (i.e. cap on Level 2B and Level 2 assets). *Adjusted* figures of net cash outflows (line 22, third column) must be calculated after the application of both (i) inflow and outflow rates *and* (ii) any applicable cap (i.e. cap on inflows).

The LCR (line 23) must be calculated as the average of observations of the LCR:

$$\text{LCRQi} = \frac{1}{T} \times \sum_{t=1}^T \text{LCRt}$$

Not all reported figures will sum exactly, particularly in the denominator of the LCR. For example, “total net cash outflows” (line 22) may not be exactly equal to “total cash outflows” minus “total cash inflows” (line 16 minus line 20) if the cap on inflows is binding. Similarly, the disclosed LCR may not be equal to an LCR computed on the basis on the average values of the set of line items disclosed in the template.
